

Want to overcome **fear**? To learn **how to speak** in front of others?  
Need help with **skits and dramas** for a presentation?  
campBRAVE is for you!

This summer, BRAVEheart is offering **FREE** drama and public speaking workshops all summer for middle and high school students. Learn acting skills, how to speak up and be confident, and learn to improvise by playing improv games with your fellow campBRAVIANS, such as acting out clips from your favorite movie scenes!
